

AAPCHO invites your organization to join in our commitment to building healthier AA&NHPI communities.

OVERVIEW

The Association of Asian Pacific Community Health Organizations (AAPCHO) member agencies have been at the forefront of efforts to support and provide linguistically accessible, culturally appropriate, and affordable primary health care services to communities with high concentrations of medically underserved Asian Americans, Native Hawaiians and Pacific Islanders (AA&NHPIs).

MEMBERSHIP BENEFITS

- Participation in national advocacy, programs, and policy efforts
- Collaboration with national leaders in health care service delivery
- Networking opportunities within AAPCHO members and staff that facilitate linkages to federal state, and local policy makers
- Reports and publications at no charge or reduced rates

AAPCHO Membership Categories and Qualifications

FULL MEMBERSHIP

Full Membership is open to not-for-profit, 501(c)(3), community health centers whose primary mission is to provide direct primary care services to medically underserved populations consisting largely of AA&NHPIs living in the United States and its territories. The level of primary care services offered must be similar to federally qualified health centers (FQHCs) or FQHC look-alikes.

ASSOCIATE MEMBERSHIP

Associate Membership is open to not-for-profit community health centers, organizations and associations that are committed to the mission and goals of AAPCHO.
