Terminology

"Asian" refers to people having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent, including Chinese, Filipino, Japanese, Asian Indian, Korean, Vietnamese, Cambodian, Laotian, Thai, and others.

"Native Hawaiian and Other Pacific Islander" refer to people having origins in any of the original peoples of Guam, Samoa, or other Pacific Islands are referred to as "Pacific Islander," including Polynesian, Samoan, Tongan, Micronesian, Guamanian or Charmorro, Melanesian, Fijian, and Other Pacific Islander not specified. Those persons having origins in the original people of Hawaii are referred to as "Native Hawaiian." Unless indicated, "Pacific Islander" includes Native Hawaiians.

"White" refers to people having origins in any of the original peoples of Europe, the Middle East, or North Africa.

The data for different censuses are not directly comparable due to changes made to each census; thus caution must be used when interpreting changes in racial composition over time. For instance, the 2000 Census incorporated more race categories, modified existing categories, and offered respondents the option to mark one or more races. For more information, visit www.census.gov.
