Partnerships, Association of Asian Pacific
Community Health Organizations

Building & Sustaining Capacity for Health Equity

Increase Access to Care

- Health Care Workforce
- AA&NHPI Data
- Leveraging technical assistance
 - National resources
 - Access to information
 - State & regional partnerships

Improve Health Outcomes

- Addressing AA&NHPI Health Disparities
 - Diabetes (prevention & management)
 - Hepatitis B
 - TB
- Expansion of health center partnerships

Promote Health Equity

- VBHCT readiness & advocacy
- Special and vulnerable Populations alignment and opportunities (homeless, migrant, LGBTQ serving partners)
- Health Care Workforce
 - Inclusivity & cultural humility
